

VEERA VENKATA NAIDU MEDICHARLA

FRESHER | FULL STACK INTERN

MALIKIPURAM, KONASEEMA, A.P. | naidumedicharla830@gmail.com | +91 8309100354 |

EDUCATION

Degree	Specialization	Institute	Year	CGP/%
B.Tech	Electronics & Communication Engineering	BVC College	2021-2025	8.88
Intermediate	Mathematics, Physics, & Chemistry	Veda Junior College	2019-2021	95.4%
10 th Standard	-	VIITTS	2018-2019	97%

EXPERIENCE / INTERNSHIP

FULL STACK DEVELOPMENT | Blacbuck Engineers Pvt.Ltd (Internship)

During my internship. I gained hands-on experience in Django, HTML, CSS and JavaScript, which I used to build a personal portfolio showcasing my skills and projects.

AI and ML | Edu Net Foundations (Internship)

During my internship. I Worked with artificial Intelligence and Machine Learning, applying sentimental analysis techniques to analyze and interpret data insights.

WEB TECHNOLOGIES AND SQL

During my internship. I learned about web Technologies (HTML, CSS, JS) and SQL for database design

PROJECTS

STUDENT MANAGEMENT SYSTEM

Role: Team Lead

Description: I developed a Student Management system where teachers generate an OTP for Attendance, which students enter to get their attendance. This process reduces the time by allowing students to self-enter their attendance.

Technologies Used: HTML, CSS, JavaScript, Django and Python

PERSONAL PORTFOLIO WEBSITE

Role: Individual

Description: I Created a personal portfolio website and integrated it with a Django backend to showcase my projects and skills. This project demonstrates my ability to combine front-end with back-end functionality using Django

Technologies Used: HTML, CSS, JS, Django

SKILLS

PROGRAMMING SKILLS	SOFT SKILLS	TECHNOLOGIES	SOFTWARE
C (Basics)	Communication	HTML	Excel
Python	Problem Solving	CSS	Ms Word
Java (Basics)	Logical & Critical Thinking	SQL(Basics)	Power Point

CERTIFICATIONS & ACHIEVEMENTS

- Certified Application Developer (CAD) - by ServiceNow
- Python – First Step Towards Data Science - by Infosys
- Certified System Administrator – by ServiceNow
- Java Fundamentals - by Coursera

Achievement – I won Second Prize in the Electronics Impulse event for my VLSI project, showcasing my skills in electronics and circuit design

STRENGTHS & INTRESTS

Strengths – My Strengths are my Persistence and Commitment towards work, along with my ability to adapt and learn quickly.

Interests – My Interests are researching new technologies and new things in internet and expanding my technical knowledge. In my spare time, I enjoy playing online games
